WHOLESALE TRADE LIST FOR DEALERS ONLY

IMPORTANT: Due to the fact that we have no control over the handling of your plants after they leave our Greenhouses, we can give no warranty as to the condition on their arrival. All shipments turned over to a Public Carrier become your property; claims for damage must be filed with them and not us. Broken pots result from rough handling and need not necessarily show outer damage to the carton. Each plant is very carefully wrapped and placed in the carton so the plants will reach you in good condition. We suggest that you drive in for your orders where it is possible, thereby avoiding the possibility of damage. We believe airfreight to be the most satisfactory method of shipping wherever it is available.

May we suggest your using Air Freight where possible.

Please call your local Airline to see if they have a direct flight from Cleveland Hopkins Airport, and their rates. 50 pots 2½" size weigh approx. 25-30 lbs. in plastic pots. 25 - 3" clay pots approx. 30 lbs. Minimum airfreight charge is for 50 lbs.

*Denotes a choice commercial variety, both from a standpoint of blossoming qualities and general plant performance. These give you a full pot in a short time, covered with blooms that last, and colors that sell well for the trade. The others listed are considered good plants but not as fast for turnover, but more for the collectors trade.

Two of our houses devoted entirely to the development of new varieties for the discriminating trade.

All 2 1/4" pots are for growing on stock only and not necessarily budded or blooming. All 3" stock is in heavy bud or bloom.

Our cartons carry 25 2 1/4" pots, or 25 3" pots. We will not mix pot sizes in the carton. When ordering do not order less than 5 of a kind and not less than 25 to the order.

When ordering, your check or money order must accompany the order, unless credit has been established with us.

All orders are shipped Railway Express, charges COLLECT unless other shipping directions are given. We will ship Protective Signature Service where it is requested. We recommend air freight wherever this service is possible. For air information, write for our air freight guide.

We reserve the right to substitute with a like variety in the event we are out of the one listed, unless you list a second choice. This is to avoid delay in shipping your order.

All orders are shipped in fibreglas insulated cartons for cold weather protection. We ask that you please put the liner in plain brown paper and mail it back to us. This material is very expensive, therefore we ask that you send it back to us. Thank you for your co-operation.

Postage will be refunded immediately upon return of the insulation.

Our aim is to produce new things that are different and to keep a long list of satisfied customers. We appreciate all business, large or small.

Adding your phone number to your order will enable the Express Agent to call you immediately upon arrival.
